

## Children Are Reason Enough

***Luxor4Care is a British organisation which aims to give whatever assistance and support it can to those who care for the abandoned, orphaned, disabled and disadvantaged children of Luxor regardless of their religion, gender or ethnic background***

There are so many ways in which you could give hope and a future to Luxor's disadvantaged children.

Not only would we welcome donations of cash, or sponsorship of individual children or food parcels for families, but if you have any ideas for fund raising, or can give your time and energy to help alleviate the desperate need of these children then please contact us.
